

LAB 2 JIRA

The screenshot shows the Jira interface with a search bar at the top. Below the search bar, the breadcrumb navigation indicates the current location: Spaces / My Software Team / SCRUM-6. A progress bar at the top right shows 100% completion. The main content area displays a table of tasks for SCRUM-6.

Work	Priority	Assi...	Status
SCRUM-7 Select Bus Route	H...	Unz	Done
SCRUM-8 Track Bus Location	H...	Unz	Done
SCRUM-9 View Bus ETA	H...	Unz	Done
SCRUM-10 View Crowding Level	M...	Unz	Done
SCRUM-11 Monitor Active Buses	H...	Unz	Done
SCRUM-12 Calculate Crowding Level	M...	Unz	Done

The screenshot shows the Jira interface with a cookie notice at the top. Below the notice, the breadcrumb navigation indicates the current location: Spaces / My Software Team / SCRUM-6 / SCRUM-7. The main content area displays the details for the 'Select Bus Route' issue.

Select Bus Route

Description
As a commuter, I want to select a bus route so that I can find the bus I need.
